Cllr Beach agreed to look into the specification of surfacing requirement and obtain quotations.

Mike Bury raised the issue of the increasing level of litter on local verges and in hedgerows. The suggestion by Cllr Gillin, seconded by Cllr Rayner to purchase 15 sets of litter picking kits for use by local volunteers was agreed unanimously. New volunteers: to be advised to be careful on main roads and sent a copy of T&MBC safety guidance factsheet.

7. Reports if any from County Clir and or Borough Clir

Borough Councillor – Robin Betts

T&MBC enforcement are continually battling with the illegal parking outside Tower View Industrial, but with limited resources and more pressing areas of need, it is not considered a priority.

The obstruction to the field entrance opposite is a police matter.

Planning enforcement against the car sales business is not progressing as there is no planning reason against such use within the industrial park. It was suggested that perhaps requesting that a planning application come forward would formalise the site with appropriate conditioning.

Works will commence shortly to upgrade the M20 between junctions 3 and 5 to a Smart Motorway, this will potentially involve weekend closures and take 16 months to complete. Borough Councillor – Martin Coffin

T&MBC acknowledge that enforcement has been weak for a long time, but are at the tail end of the old regime and are recruiting more enforcement officers and investing in camera equipped vehicles.

T&MBC budget for 2018 – 19 although yet to be formally agreed, will result in an annual increase of \pounds 5.67 for Band D properties.

8. Reports from various Committees

Planning

Minutes of the planning meeting held on 12th January 18 were proposed by Cllr Mills, seconded by Cllr Gillin, agreed and adopted as part of the proceedings of this Council.

Skate Park

Platt PC raised concerns over the cost of skatepark maintenance running over budget. It is more cost effective to purchase in larger quantities and recent material purchases will take us into the 2018-19 budget. However, in light of the concerns maintenance work has been reduced to only cover safety issue repairs until April 18.
